

| Class        | Class Name                                    | # Students/year | Hours used/year |
|--------------|---|-----------------|-----------------|
| BIOL 204     | Intro to Evolution, Ecology, and Biodiversity | 576             | 3               |
| BIOL 205     | Intro to Cell and Molecular Biology           | 480             | 3               |
| BIOL 206     | Intro to Organismal Biology                   | 408             | 3               |
| BIOL 323     | Cell and Molecular Biology                    | 270             | 20              |
| BIOL 397z    | Cell Biology                                  | 24              | 2               |
| BIOL 484/594 | Cell Microscopy Laboratory                    | 16              | 80              |
| ESCI 451     | Environmental Sampling and Analysis           | 14              | 3               |
| CSEC 122     | Undersanding Scientific Research              | 24              | 1               |
| MSCI 410     | Characterization of Materials                 | 12              | 2               |
| BNS 328      | Behavioral Neuroscience Techniques            | 50              | 32              |
|              | Independent Research                          | 34              | 985             |
|              | <b>Total</b>                                  | <b>1908</b>     | <b>1134</b>     |
